

## Directions to Waccamaw Medical Park West – 4040 Highway 17 Bypass:

Heading **north** on Highway 17 Bypass from Pawleys Island/Georgetown/points south:

1. Remain on Highway 17 Bypass and travel through the stoplight intersection with Riverwood Drive. (Tideldans Waccamaw Community Hospital will be on your left.)
2. Waccamaw Medical Park West is the second left after the stoplight. Look for building signage at the highway and turn left across Highway 17.
3. Patient drop-off is available at both the north and south entrances.

Heading **south** on Highway 17 Bypass from Myrtle Beach/Surfside/Garden City:

1. Remain on Highway 17 Bypass and travel through the stoplight intersection with Highway 707.
2. You will pass a shopping center and several businesses on your right. Look for Waccamaw Medical Park West signage at the highway and turn right.
3. Patient drop-off is available at both the north and south entrances.

*See Waccamaw Medical Park West building directory on reverse.*
