

Hand-sewn masks:

Drop-off is available daily Monday through Friday from 9:30-11:30 a.m. and from 1-4 p.m.

1. Turn (left/right) at the red light between the Hachiya Japanese Steakhouse and the Tidelands Health Cancer Care Network building.
2. Turn left at the stop sign.
3. This road, Macklen Avenue, will take you behind Tidelands Health office buildings. You will see a drop-off line with tables and a tent.
4. Please let the first volunteer in the line know you have hand-sewn masks to drop off and follow his/her instructions for leaving your masks.

Thank you for providing hand-sewn masks. Tidelands Health appreciates your generosity as we work together to respond to the COVID-19 epidemic.

Better health begins here.
