

Healing Hands: Career Pathways in Rehabilitation Application

Healing Hands: Career Pathways in Rehabilitation is an educational event that is held onsite at Tideland Health for Junior and Senior high school students who are interested in pursuing a career in rehabilitation (Physical Therapy and Occupational Therapy.) The event will take place at Waccamaw Medical Park West (4033 Highway 17, Murrells Inlet, SC 29576) on Thursday, March 19th, 2026, 9am-12pm. For this event selected students will have the opportunity to learn about rehabilitation careers and different educational pathways. This is an application process, and only selected students will be approved.

Incomplete and/or late applications will not be accepted.
